Summary

I'm Abhay Gupta, a dedicated web developer with a strong foundation in both front-end and back-end technologies. I hold a Bachelor's degree in Computer Applications and am currently pursuing my MCA to further deepen my technical expertise. With hands-on experience through internships at Internshala and Apna College, I have built responsive and user-friendly web applications using HTML, CSS, JavaScript, ReactJS, and ExpressJS. My passion for coding drives me to constantly learn and grow, while my analytical skills, sharpened through chess and cricket, help me tackle complex problems effectively. I'm eager to contribute my skills and creativity to impactful projects and collaborative environments.

Skills

Web Development: Proficient in HTML, CSS, JavaScript, ReactJS, and ExpressJS, with hands-on experience in creating responsive and user-friendly websites.

Front-End Frameworks: Strong expertise in ReactJS for building interactive UI components.

Back-End Development: Knowledge of ExpressJS for developing robust server-side applications and APIs.

Database Management: Basic understanding of MongoDB and MySQL for efficient data handling and storage.

Version Control: Proficient in Git for version control and collaboration on projects.

Problem Solving: Experience in debugging and optimizing code for performance and functionality.

Responsive Design: Skilled in implementing mobile-first design principles for cross-device compatibility.

Team Collaboration: Experience working in teams during internships, effectively contributing to project goals.

Chess and Cricket Enthusiast: Strong analytical and strategic thinking abilities developed through playing chess and cricket.

Experience

09/2023 - 12/2023
Intern, **Intershala Interships**, Lucknow, India
- Developed web applications using HTML, CSS, JavaScript ,SQL,NodeJs,Bootstrap.

Education And Training

09/2024
Master Of Computer Applications, Computer Science
Babu Banarasi Das University, Faizabad Road

04/2024
Bachelor Of Computer Applications
Lucknow University, Lucknow

03/2021
12th, PCM/CS
Lucknow Public College , Lucknow

03/2019
10th, PCM
Lucknow Public School, Lucknow

Activities And Honors

Chess Enthusiast: Regularly play chess to enhance strategic thinking and problem-solving skills, which I apply in both personal and professional contexts.

Cricket Player: Participate in local cricket matches, which helps me develop teamwork, leadership, and decision-making abilities.

Web Development Projects: Continuously working on personal and collaborative web development projects to improve my skills in HTML, CSS, JavaScript, and ReactJS.

Tech Workshops and Seminars: Attend coding workshops and tech seminars to stay updated on the latest trends in web development and programming.

Support for YouTube Content Creation: Assist in managing my mother's YouTube channel, "Meeta Gupta Lifestyle," which includes helping with video planning, editing, and basic content management.

Accomplishments

Top Performer at Intershala Internship (2024): Recognized for outstanding performance and contributions during my internship, where I worked on developing web applications and enhancing user experiences.

Chess Tournament Winner: Won multiple local chess tournaments, showcasing my analytical and strategic thinking abilities.

Cricket Team Captain: Led my local cricket team to victory in various inter-college matches, demonstrating leadership, teamwork, and quick decision-making skills.

Academic Excellence in 12th Grade (2021): Achieved 89.4% in 12th grade, securing one of the top positions in my class at Lucknow Public College.

BCA Graduation Honors (2024): Graduated with 76.24% from Lucknow University, highlighting my consistent academic performance and dedication to my studies.

Certifications

Web Development Certification – Internshala (2023): Completed a comprehensive web development course covering HTML, CSS, JavaScript, and ReactJS.
